

Vishwaguru Mahamandaleshwar
Paramhans Swami Maheshwarananda

Blessed Selves, dear Bhaktas, Devotees and spiritual Seekers of all spiritual paths around the world.

Every year we celebrate Gurupurnima, the most important spiritual festival of the year. This year, according to the ancient Indian astrological calendar - Jyotish - Gurupurnima falls on the full moon day of Ashadh (June - July) and is celebrated in memory of the great Rishi Ved Vyasa on July 24, 2021. On this day we surrender all our spiritual practices from the past year at Gurudev's lotus feet.

According to the teachings of God Shiva, Sri Alakpuriji and Adi Guru Shankaracharya, on this day of holy Gurupurnima, all spiritual masters, Mahamandaleshwars should be worshipped by the spiritual seekers and disciples by performing Guru Puja. They should offer them clothes, food and donations, adorn them with tilak and flower mala, and bathe Guru's holy feet in water and milk.

At the same time, it is the duty of all Mahamandaleshwars and Sannyasis to guide all bhaktas, students, practitioners and disciples and to support them on their spiritual path towards harmony, tolerance and peace and lead them to Brahman. Yoga in Daily life is not only physical exercise, but it is the system that brings us to our higher self and promotes respect, equality and harmony among all religions and spiritual seekers of different paths.

Gurupurnima Satsangs should be held in all our ashrams and yoga centers. Those who cannot attend should celebrate them anywhere in the world in their homes. The image of Gadi Patti must always be present at pujas at home, ashrams or temples.

Om Sri Alakpuriji Siddha Peeth Parampara began with God Shiva himself, followed by Maha Siddha Yogi Sri Alakpuriji, Paramyogeshwar Sri Devpuriji, Bhagwan Sri Deep Narayan Mahaprabhuji, Sadguru Hindu Dharmasamrath Paramhans Sri Swami Madhavanandaji, who bestowed the blessing on me by giving the successor's shawl on my shoulders.

As the current Gadi Patti (successor to the holy seat of Parampara) at this time of Gurupurnima, it is my wish that all my disciples offer respect and offerings to our Mahamandaleshwars and Sannyasis in all our ashrams, yoga centers and spiritual temples.

On this special occasion, Gurudev showers the blessings of the Saints and great Masters of the Guru Parampara to all the bhaktas. Gadi Patti is always the first to be worshipped. Mahamandaleshwars should celebrate this special day in their respective ashrams and be honored by the disciples and students with flowers and foot washing. These tokens of respect and offerings with sprinkling water on their feet should also be given to all the Sannyasis of our Guruparampara according to the order of Sannyasa initiation.

Always remember that you are a human being and grant kindness and protection to all living beings. May all your spiritual practice become fruitful.

***Guru Brahma, Guru Vishnu, Guru devo Maheshwara
Guru sakshat, param Brahma, tasmai shri guravay namah***

With the blessings of Sri Alakpuriji's Siddha Peeth Parampara to all bhaktas and their families, devotees and spiritual seekers.
